Control: 0912-31-304
Project: STP 1702 (437) MM
Highway: CR 58
Brazoria County

The above referenced reconstruction and widening of a non-freeway project has been reviewed. Brazoria County and the Houston District recommend awarding the contract to iCON GC, LLC. The total amount of the low bid was \$6,160,000.00, which is 0.5 percent over the engineer's estimate of \$6,130,808.84. Funds for this project are allocated in accordance with the Federal Project Authorization and Agreement (FPAA). The county is responsible for any costs above the maximum authorized federal amounts.

Attached are the State Letter of Authority (SLOA) for locally let projects and the FPAA, indicating clearances for the following:

- Right of way
- Encroachments
- Relocation assistance
- Environmental
