

April 9, 2024

Dear Valued Customer:

I am pleased to announce the sale of A-1 Fire Equipment to Summit Fire & Security LLC. Effective April 9, 2024, the A-1 Fire Equipment team, alongside Summit Fire & Security, will continue serving you and the community with a commitment to safety, excellence, and hard work.

We're proud that A-1 Fire Equipment has had the opportunity to serve you for all your needs with fire sprinkler systems, fire extinguishers, fire alarms, fire suppression systems, marine systems, carbonic systems, hydrostatic testing, and backflow testing & repairs. As we join the Summit Fire & Security team, we're really excited to expand our offerings across the entire spectrum of fire protection and life safety categories, including fire sprinklers, fire detection & alarm, fire extinguishers, pre-engineered kitchen suppression, and special hazard systems. All your fire protection needs can be met through the comprehensive suite of offerings with Summit Fire & Security.

As A-1 Fire Equipment transitions to Summit Fire & Security, we will continue serving you out of our Galveston location. The Summit Fire & Security location in Pasadena will provide additional support and expanded services as needed. Your existing services will continue without interruptions as A-1 Fire Equipment employees are now a part of the Summit Fire & Security team. Our team of experts will protect you and your buildings from fire and intrusion with a full suite of capabilities, including design, installation, inspections, testing, and regular maintenance.

Thank you for your business over the years. We are excited that A-1 Fire Equipment has the opportunity to be an integral part of a growing company, offering you, our valued customer, a one-stop fire and life safety package.

Please call our Galveston office at (409) 744-4438 if you have any questions – we would love to discuss your fire protection and life safety needs.

Sincerely,
