

TEXAS DEPARTMENT OF TRANSPORTATION
REIMBURSABLE GRANT AGREEMENT
FOR ROUTINE AIRPORT MAINTENANCE PROGRAM

(State Assisted Airport Routine Maintenance)

TxDOT Project ID: M2612ANGL

Part I - Identification of the Project

TO: The County of Brazoria, Texas

FROM: The State of Texas, acting through the Texas Department of Transportation

The Texas Department of Transportation (department) is authorized under Texas Transportation Code, Chapter 21, and Chapter 22, to assist in the development and maintenance of airports in the state.

This Reimbursable Grant Agreement is made between the Texas Department of Transportation, (hereinafter referred to as the "State"), on behalf of the State of Texas, and the County of Brazoria, Texas, (hereinafter referred to as the "Sponsor").

This Reimbursable Grant Agreement is entered into between the State and Sponsor shown above, under the authority granted and in compliance with the provisions of the Transportation Code Chapter 21.

The scope of service for this project is for **airport maintenance** at the ANGLETON/LAKE JACKSON - TEXAS GULF COAST RGNL Airport.

Pursuant to the terms and conditions set forth in the RAMP Grant Agreement, reimbursement of expenses is strictly limited to those costs that are directly associated with eligible maintenance activities defined as airport maintenance and as stated in Part III of this RAMP Grant Agreement. Operational and/or operating expenses—defined herein as recurring costs necessary for the routine functioning of an airport, including but not limited to groundskeeping (e.g., mowing), utilities, insurance premiums, personnel compensation, and fuel—are categorically excluded from reimbursement eligibility under the RAMP program

The sole exception to this exclusion pertains to Airport Operations Counting Systems, which are expressly permitted under current funding guidelines and must be documented accordingly.

By submitting a reimbursement request, the Sponsor affirms and certifies that all applicable provisions of the RAMP Grant Agreement have been satisfied. Furthermore, the Sponsor attests that the scope of work described in the reimbursement submission is intended exclusively to supplement airport maintenance operations and does not constitute, support, or subsidize airport operational functions. This certification is made in accordance with applicable state funding regulations and the eligibility criteria enumerated in the scope of service.

Part II - Offer of Financial Assistance

1. For the purposes of this Reimbursable Grant Agreement, the annual routine airport maintenance project cost is estimated to be \$111,111.11 (Amount A).

State financial assistance granted will be used solely and exclusively for airport maintenance and other incidental items as approved by the State. State financial assistance will be for ninety percent (90%) of the eligible project costs for this project or a maximum of \$100,000.00 (Amount B), whichever is less, per fiscal year and subject to availability of state appropriations.

The Sponsor's share of project costs will be for ten percent (10%) of the eligible project costs (Amount C).

This Reimbursable Grant Agreement provides for reimbursement of costs that have already been incurred by the Sponsor, work is complete and/or goods and materials have been provided to the Sponsor and all contractors, subcontractors, and/or vendors will have been paid before a request for reimbursement is submitted to the State.

Unused funds are non-transferable to any other Sponsor, city, county, or airport and shall not be carried over to the subsequent fiscal year.

Scope of Services of this Reimbursable Grant Agreement, may be amended, subject to availability of state funds, to include additional approved airport maintenance work. Scope amendments require submittal of an Amended Scope of Services

Only work items as described in Scope of Services of this Reimbursable Grant Agreement are reimbursable under this Reimbursable Grant Agreement.

All goods and/or materials procured, and all work and/or services performed, shall occur subsequent to the execution of this Reimbursable Grant Agreement and on, or before, August 31, 2026.

2. Work, services, goods, and/or materials rendered or paid for by the Sponsor prior to the execution of this Reimbursable Grant Agreement shall not be eligible for reimbursement. This Reimbursable Grant Agreement shall be deemed executed upon the affixation of signatures by all parties involved. The date of the final signature shall be recognized as the official Reimbursable Grant Agreement execution date.

3. Scope of Services may be accomplished by State contracts or through local contracts of the Sponsor as determined appropriate by the State. All locally contracted work must be approved by the State for scope and reasonable cost. The State will not participate in funding for force account work conducted by the Sponsor.
4. This Reimbursable Grant Agreement shall terminate upon completion of the scope of services, exhaustion of funds, or on the last day of the fiscal year.
5. The State retains the right to obtain an audit as may be required by state regulations; the State Auditor may conduct an audit or investigation of any entity receiving funds from TxDOT directly under this contract or indirectly through a subcontract under this contract. Acceptance of funds directly under this contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.
