

AFFIDAVIT OF GERALD HENDRICK

STATE OF TEXAS §
 §
COUNTY OF BRAZORIA §

Before me, the undersigned notary, on this day, personally appeared, Gerald Hendrick, a person whose identity is known to me. After I administered an oath to him, upon his oath, he said,

1. “My name is Gerald Hendrick. I am of sound mind, over the age of 18 and capable of making this affidavit. I have personal knowledge of the facts stated in this affidavit, and they are true and correct.

2. I am an employee of the Brazoria County Building Maintenance Department. The Brazoria County Commissioners Court has designated me make a certification pursuant to Texas Government Code Section 791.011(j).

3. This project for which the construction-related goods or services are being procured does not require the preparation of plans and specifications under Chapter 1001 or 1051, Occupations Code.”

FURTHER AFFIANT SAYETH NOT.

Gerald Hendrick

Subscribed and sworn to before me, the undersigned authority, on this the _____ day of _____, 2024.

Notary Public in and for the
State of Texas

Angleton, TX 77515

Proposal#293454
TIPs # 23010402

Reference: Replace (1) 5 Ton Package Unit and Provide and Install New Exterior Duct Work
Building: 21017 County Road 171

Pursuant to your request, APS Building Services, Inc is pleased to estimate the following work at the above referenced property. Please find our services and associated cost as follows:

Scope of Work:

- Schedule a time with building engineer to preform work.
- Demo existing exterior duct work.
- Disconnect, electrical, t-stats, and drain piping.
- Provide and install (1) new 5 Ton RUUD package unit.
- Provide and install (1) new electric heat kit.
- Provide and install (1) new hail guard kit for condenser coil.
- Provide and install new galvanized exterior duct work and seal.
- Provide and install galvanized weather plate over existing duct work penetration.
- Reconnect t-stat and drain lines.
- Demo existing exterior duct work on (2) package units.
- Provide and install new galvanized exterior duct work for (2) package units and seal.
- Provide and install galvanized weather plate over existing duct work penetration for (2) package units.
- Start up and check for proper operations.
- All work to be done during normal business hours.

NOTES:

- * **Priced on all work to be performed during regular business hours on straight time between the hours of 7a.m. to 4p.m.**
- ***Price is based on customer supplying crane for removal of existing unit, and installation of new unit**
- ***High voltage electrical service to the new unit in its new location to be provided by others.**
- ***Payment Bond is INCLUDED.**

Warranty/ Lead time:

- ***90 Day Workmanship**
- ***Manufacturer equipment & parts warranty**
- ***Equipment is currently in stock**

Estimated Cost of...\$ 39,640.61

This estimated cost is for the services, to be performed during regular business hours unless otherwise noted above. Excluded from this amount are sales taxes, permits, freight, and any additional parts, repairs or services not listed. This quote is effective for a period of 15-days.

Upon acceptance of this proposal, APS reserves the right to bill for the equipment and material costs when it ships from the manufacturer. The labor and any additional material will be progressively billed monthly based on the duration of the project. The remainder of the balance will be billed at the completion of the project and in accordance with our billing terms unless otherwise specified and agreed upon between APS and the customer.

APS Building Services, Inc. appreciates the opportunity to provide you with a quality service on which to rely. If you have any questions or concerns, please do not hesitate to contact me at 713-979-0720.

Sincerely,

APS Building Services, Inc
