Yes ma'am. I still have to submit it to our court for final approval. The next available date I could submit would be for the August 12th agenda.

Regards,
Tricia Simmons

Good morning, Tricia!

Thank you for getting back to me on the barricade pricing. Question, if they add this to the July 21st council meeting for a vote when would it go before a commissioner's court? Thank you.

Thanks,

The council wants to know if a broken barricade can be repaired/replaced. The barricade is on W. Wildwinn Ct. and I have attached a photo of its current condition. Also, the council asks what material (wood or plastic) would be used to repair/replace, as well as the cost.

Thank you.
