Subject: [EXTERNAL] Work order - place culverts at CR 171 and 6th Street

Good morning, Mayor Matheny would like to turn in the following workorder:

Place culverts at the corner of CR 171 and 6th Street.

Location: CR 171 and 6th Street (It's on a dedicated roadway, beside house number 9010 cry 171.)

Mark Peters
281-581-2826
2 culverts
18' diameter

There are 2 culverts currently there, they want to add to the 2 that are already there, however, the 2 that are already there in place are coming apart, so they need to be put back together and then the 2 new ones added to either side.

If you have any questions, please feel free to contact me.

I am available Monday – Thursday from 8:00 AM – 5:00 PM and Friday from 8:00 AM – 12:00 PM.

Thank you and have a great day. 😊

Good Morning,

Ms. Natalie Wright came in yesterday and asked for help with her ditch. She said that it doesn't drain. She said that the problem with the ditch, she thinks, is in front of the telephone pole and gas line. It needs to be dug out. The problem area is located at 216 and 220 Allen Road. Ms. Natalie Wright 817-287-1982.

Thank You,
