Re: ITB# 21-32 Road Materials – Surface Course

Dear Mr. Asp:

The current term of ITB# 21-32 Road Materials – Surface Course expires on April 25, 2024, with an option to renew for another year upon approval by Commissioners' Court.

In order to help the Purchasing Department in making a recommendation to Commissioners' Court to renew the current contract or to advertise for a new invitation to bid, we need your input.

If you are in compliance with a renewal ITB# 21-32 Road Materials – Surface Course at reduced or current pricing, please sign as indicated at the bottom of this letter. Please include any price reductions on a separate sheet or on the current contract sheet. The current contract sheet can be found on the Brazoria County Purchasing website at <http://brazoriacountytx.gov/departments/purchasing>. Click on the link marked "Current Annual Contracts".

In the event that you are unable to renew at current or reduced pricing, please include any price increases, **along with justification backup documentation**, for review by the Purchasing Department. This will aid in determining a recommendation for rebid or renewal.

In the event that no changes are marked, or you fail to return this letter, Brazoria County shall assume that there are no product or pricing changes and a recommendation for renewal will be sent to Commissioners' Court with the current pricing.

Please return this letter, along with any price or product revisions, to **Amanda Erickson** at aerickson@brazoriacountytx.gov by **March 19, 2024**.

As always, your interest in Brazoria County is appreciated.

Very truly yours,
