Judge Sebesta,

I would respectfully like to request the re-appointed as County Fire Marshal for Brazoria County, Texas.

Currently, the Fire Marshal's Office operates as a fire compliance, fire investigation and law enforcement office within Brazoria County for over 12 years by developing budgets, coordinated fire and life safety processes, conducted fire and arson investigations, and hiring fire protection personnel. The Fire Marshal's Office currently operates under Texas Local Government Code 352, Subchapter B, Section 352.011 and two commissions within the State of Texas; the Texas Commission on Fire Protection and the Texas Commission on Law Enforcement.

It has been an honor to serve under your leadership; reducing the risk of fire and life safety emergencies and working for all residents, business owners, visitors and many others that do business here in Brazoria County.

I would be humbled to continue to serve as County Fire Marshal for Brazoria County, Texas.
