

COMMISSIONERS COURT OF BRAZORIA COUNTY

ORDER NO. I.13.

5/26/2026

Award ITB #26-46 Solar Roads Reconstruction - Package II

Approval to award "ITB #26-46 Solar Roads Reconstruction - Package II" to the lowest responsive bidder, Mc2 Civil, LLC (formally Main Lane Industries, Ltd) of Houston, Texas who submitted the lowest bid meeting our specifications and scope of work, in the amount of \$591,642.00.

In addition, the expenditure for the project will utilize funds from the department's approved fiscal 2026 budget, as well as, a percentage of reimbursement from various solar power companies.

Further, that the County Judge is authorized to sign any documents or amendments related to this agreement; and that the final documents be authorized to be attached to the Minutes.

ITB #26-46 Award Summary

A total of one thousand two hundred and twenty-nine (1229) vendors were notified of our solicitation which was posted on the Bonfire electronic procurement portal, as well as posted on the Electronic Business Daily (ESBD) website and advertised in The Facts. There were sixty-two (62) document takers resulting in two (2) submissions.

Upon review of the bids received by the Engineering Department and the project consultant, GFT Inc., award "ITB #26-46 Solar Roads Reconstruction Package II" to Mc2 Civil, LLC (formally Main Lane Industries, Ltd) of Houston, Texas, who submitted the lowest bid meeting our specifications and scope of work, in the amount of \$591,642.00.

In addition, per the consultant, the bulk of the price discrepancies between the Engineer's estimate of \$400,898.22 are primarily due to three items: Flex Base, Mobilization and Barricade/Traffic Handling. The higher unit prices for Barricades and Flex Base are driven by the low quantities in package II compared with package I.
