	§	
COUNTY OF BRAZORIA	§	

This Encroachment and Easement Agreement (this "Agreement") is made and entered into by and between Brazoria County (the "County") and Cottonwood Bayou Solar, LLC, a Delaware limited liability company, its successors and assigns (the "Encroaching Party").

RECITALS

A. Encroaching Party is the lessee of certain real property in Brazoria County, Texas for the development, construction, and operation of a utility scale solar energy project (the "Project").

B. The County, for the benefit of the public, is the owner of those certain public rights-of-way lying and being situated within the boundaries of the Project in the County of Brazoria, State of Texas (the "Public ROW"), more particularly described by metes and bounds in Exhibit "A", which is attached hereto and incorporated herein.

C. The County has acquired the Public ROW in an effort to improve mobility in the region in accordance with the Brazoria County Thoroughfare Plan. The County intends to construct a major thoroughfare within the Public ROW at such time that development in the region demands.

D. Encroaching Party plans to erect, construct, and maintain private improvements within, on, and above the above-referenced Public ROW described as follows: fences and gates. The fences and gates will be installed within and adjacent to the Public ROW (the "Encroachment"). Said Encroachment being more particularly shown in Exhibit "B", which is attached hereto and incorporated herein.

E. Encroaching Party recognizes that it cannot acquire any right, title or interest in and to the Public ROW by adverse possession or otherwise due to the Encroachment.

In consideration of the matters described above, and of the mutual benefits and obligations set forth in this Agreement, the parties agree as follows:

AGREEMENT TO ALLOW ENCROACHMENT

The County agrees that Encroaching Party shall have the right to have the Encroachment overlap, extend, and encroach on, in, and above the Public ROW as generally depicted in Exhibit "B". The Encroaching Party shall not construct any improvements in the Public ROW except as described herein. Encroaching Party's rights under this Encroachment Agreement shall remain in full force and effect until such time as Brazoria County chooses to develop said Public ROW. Brazoria County shall provide the Encroaching Party one hundred twenty (120) days written notice to remove all Encroachments from the Public ROW at Encroaching Party's sole expense.

RIGHT TO MAINTAIN

Encroaching Party shall have the right from time-to-time to go upon the adjoining Public ROW for the purpose of maintaining the private improvements, provided that any damage occurring to the property of the County as a result of such maintenance shall be corrected or repaired at the sole expense of Encroaching Party or its successors and assigns. Under no circumstances shall Encroaching Party be allowed to increase the existing encroachment, absent written approval (including applicable regulatory approval) from the County.

RELEASE OF CLAIMS

Encroaching Party releases the County from any and all losses, damages, claims, causes of action, or rights of action, which may arise from construction, maintenance, repair or replacement activities by the County associated with the Public ROW in its present or future configuration and alignment and any of the utilities within the Public ROW and which may arise due to the proximity of the Encroachment to the work activity conducted by the County.

TERM OF AGREEMENT

This instrument and all the undertakings, promises and covenants contained in this Agreement shall remain in full force and effect until such time as the Encroachment is removed, demolished or destroyed, whether intentionally or by casualty loss, such as fire, earthquake, or other unforeseen occurrence, in which event all of the rights of Encroaching Party or its successors and assigns under this Agreement to the Encroachment shall cease; provided, however, that if, within a reasonable time (not to exceed one year) after such event, Encroaching Party or its successor in interest initiates repairs, replacements, or reconstruction of the Encroachment in essentially the same outside dimensions and configurations as the original Encroachment, then all its rights shall be reinstated nunc pro tunc and preserved on the same terms set forth in this Agreement. Upon the development of compelling public interests with which the Encroachment may interfere, Encroaching Party, its successors and assigns agree to cooperate with the County to the fullest extent possible under then existing circumstances to accommodate or mitigate such interference by its Encroachment.

AMENDMENT

No modification, waiver, amendment, addition or cancellation of this document shall be effective unless in writing and signed by authorized officers of both parties.

BINDING EFFECT

The provisions of this Agreement shall operate as a covenant running with all parcels of land above described and shall be binding upon and inure to the benefit of the parties to this Agreement and their respective successors and assigns.

RECORDING

Upon approval and execution, this Agreement shall be filed with the Brazoria County Clerk and recorded in the Official Records of Brazoria County, Texas.

This Agreement may be executed in counterpart originals with the same legal effect as if all parties hereto had signed the same.
