Hi Ms. Simmons,

I am reaching out to you today to request an interlocal agreement for the provision of labor and materials for the replacement of a drainage culvert at McKinney Street and Old Ocean Street in Sweeny, TX.

Mr. McCaffety provided a quote for buying the pipe through Brazoria County at a cost of \$39.50/LF for a total of \$4,740.00

In addition, Mr. Richers, President of the West Brazoria County Drainage District #11 volunteered to have a tree stump in conflict of the ditch and several underground utilities removed.

Both Mr. Richers and Mr. Caffety are copied.

Please let me know if you have any questions or need additional information.

Thank you,
