**BRAZORIA COUNTY BEACH CLEANING PROPOSAL
FY 2027**

Brazoria County will undertake the following beach maintenance and management measures.

1. Seaweed, tree limbs and organic debris will be raked as needed to maintain safe conditions for public use from the beach and deposited in the dunes in the following areas:
 - All of the beach between the Surfside City limits and the beach access road at the San Luis Beach subdivision
 - All of the pedestrian beach at Quintana Beach County Park, from the jetties to the county fishing pier
 - Beach areas immediately adjacent to all beach access roads from the San Luis Beach Subdivision to the Brazoria County line at San Luis Pass
 - Inter-local agreement to clean approximately 2 miles of beach along Town of Quintana (Brazoria County will not seek GLO reimbursement of this 2-mile beach maintenance arrangement with the Town of Quintana.)

2. In all other areas seaweed and tree limbs deposited by the surf will be allowed to remain on the beach to build sand deposits and naturally enrich the beach. In these areas the County will maintain vehicular access by grading a portion of the natural debris seaward/landward if necessary to create a traffic lane for vehicles.

3. Trash containers will be placed on the beach and emptied weekly in the following areas:
 - From the Brazoria County line at San Luis Pass to the Surfside City limits
 - From the Quintana Jetties to the pier
 - From the pier to Town of Quintana Beach westernmost access road (no GLO reimbursement sought for this 2-mile stretch of Town of Quintana Beach)

4. Chemical toilets will be maintained on the beach at the following locations:
 - From the Surfside City limits to the San Luis Beach subdivision
 - At the beach access road adjacent to the Quintana Beach County Park fishing pier
 - On the County beach at the beach access road adjacent to the Freeport City limits

5. Beach access roads will be kept free of sand and seaweed that washes into them during extreme high tides by grading the sand and/or seaweed back onto the beach.

RE: Public Beach Adjacent to the Follets Island Conservation Initiative

Dear Mr. Frazier,

This letter is to confirm that the Brazoria County Parks Department maintains the public beach adjacent to the Follets Island Conservation Initiative (formerly known as and often still referred to the former Christmas Bay State Park) purchased by Brazoria County with Coastal Impact Assistance Program funding and donated to Texas Parks and Wildlife Department for stewardship. This portion of the beach is in the Brazoria County's beach cleaning and maintenance plan and includes activities associated with public access and beach maintenance (i.e. the cleaning or removal of debris from the beach by hand picking, raking, or mechanical means).

If you have any questions or need additional information, please do not hesitate to contact me at (281) 534-0132.

Sincerely,

Cherie O'Brien
Texas Parks and Wildlife Department
