Hello Tricia, I have a request for some signage help.

In the past the county helped replace some very old stop signs, and other signs by supplying the new poles and stop signs. The city purchased the street and avenue signs for the poles.

We have completed the project that was submitted, and now I am submitting phase 2 of that project. Can you please tell me how much money this will cost for the new poles and signs, before it is presented to commissioner's court ? or does it have to go to commissioner's court and then you can get me the pricing.

Let me know,

thank you

Sue Powell

Mayor City of Danbury TX

Hello,
He will be adding 1 eight-foot culvert. Also, I put the wrong phone number for Mr. Mills yesterday. Could I change that to (979)480-6340?
Thanks a bunch!

Andi

Good Morning Andi:

Do you know how many culverts he will be adding? If you can get that information back to me this afternoon I can add this to next week's agenda.

Thank you,
Tricia Simmons

Good afternoon,
The owner of 1803 Duncan Dr. (Property ID 225873) would like to widen his driveway. We have made sure that the culverts he wants to add on with are made of the same material as the ones already there.
His name is Eddie Mills and his phone number is 979-665-2621.

Thanks!
