- Client recipients of N2N contributions are eligible to receive multiple assistance payments on their account if the cumulative amount does not exceed the maximum annual payment limit of \$700.00 in accordance with the Agency hardship criteria. Exceptions to this rule can be inquired by emailing the program coordinator tara.norris@nrg.com
- To defray the cost of the Agencies duties and responsibility for outreach, application processing, accounting, reporting and other related program administration activities, the Agency is entitled to retain up to 10% of the contribution provided to be kept as an administrative allowance "Administrative fee". Retainer of the fee is optional and not required.
