Honorable Commissioner Linder

Brazoria County Precinct 4

121 N. 10th Street

West Columbia, TX 77486

Via Email: davidl@brazoriacountytx.gov

Dear Commissioner Linder,

The City of Brazoria would request an Interlocal Agreement with Brazoria County for drainage improvements on the south side of Brazos St from 1st to 5th streets. The improvements consist replacing approximately five driveway culverts and excavating approximately 1,000 feet of ditch. The city will provide culverts and limestone for the driveways.

We appreciate any assistance that you can provide.

Sincerely,

David Kocurek, City Manager

City of Brazoria

COMMENTS:

Property owner is requesting placement of new culverts for driveway.
The driveway is to measure 16 feet (Culverts measure 16 feet long by 18 inch
opening; 4 pieces total). Culverts are on site and the driveway
placement is marked.

If there are any questions or concerns regarding this request, please contact City Hall at the phone number above.

Thank you,

Tricia,
I drove past this location and it definitely needs some attention. Could you please submit a formal request from the city for mowing? Thank you so much.
CJ Waller, Jr
Mayor of Sandy Point

Good Afternoon:

We received a request for ditch mowing at 13618 CR 748 (inside limits of Sandy Point) by a resident. Once the water has dried up our Service Center is able to complete this request. However, we will need a formal request from the city. If you could please email confirmation of this the request I can submit this under the annual blanket interlocal and get this resolved for the resident.

If you have any questions please feel free to give me a call.
