All persons interested may monitor and participate in the hearing by calling (800) 504-4496 (a toll-free telephone number) and entering 4844663, followed by a pound key (#) promptly at 11:00 a.m. Central time on Thursday, March 21, 2024. The Corporation's designated hearing officer will conduct the hearing on behalf of the Texas Counties of Austin, Brazoria, Chambers, Galveston, Liberty, Matagorda, Walker, Waller and Wharton and the Texas Cities of Baytown, Deer Park, Dickinson, La Marque, La Porte, League City, Pasadena, Santa Fe, Shoreacres, Texas City and Tomball (the "Sponsoring Political Subdivisions").

The purpose of the hearing is to provide residents of the Sponsoring Political Subdivisions an opportunity to comment on the proposed issuance by the Corporation of its tax-exempt obligations to be issued in one or more series pursuant to Section 142(a) (7) of the Code (the "Bonds") in an aggregate principal amount of not more than \$45,000,000. The Bonds will be issued for the benefit of Baytown Apartments L.P. or an affiliate thereof (the "Borrower"), in connection with the acquisition, rehabilitation and equipping of a multifamily housing development known as Village at Baytown located at 4601 Village Lane, City of Baytown, Texas 77521 and consisting of approximately 210 units (the "Development"). The Borrower will own the Development. Further, it is anticipated that the general partner of the Borrower will be wholly-owned by Southeast Texas Multifamily Resources, Inc.

The Bonds will be limited obligations of the Corporation, payable solely from the revenues, receipts and resources of the Corporation pledged to their payment. The Bonds will not constitute an indebtedness or obligation of any of the Sponsoring Political Subdivisions (or any other city, county or other municipal or political corporation or subdivision of the State of Texas) or of the State of Texas, or a loan of credit of any of them, within the meaning of any constitutional or statutory provision.

All interested persons are invited to attend the hearing and present written or oral comments on the proposed issuance of the Bonds. Texas State Commission on Environmental Quality

NOTICE OF RECEIPT OF APPLICATION AND ATTEMPTING TO OBTAIN PERMISSION FOR WATER QUALITY RENOVATION

PERMIT NO. WQ00_15052001

REQUEST. Jivanji Noman Burhani at 4715 N Pine Brook Way Houston, TX 77059 has applied to the Texas State Commission on Environmental Quality (TCEQ) to renew Permit No. WQ00_15052001 (EPA I.D. No. TX 0133726) of the Texas Pollution Prevention System (TPPS) to authorize the discharge of treated wastewater in a volume not exceeding an average daily flow of 10,000 gallons per day. The plant is located at 16161 1-10 East Baytown, TX 77523 in Chambers County, Texas. The discharge path is from the plant site to a road drainage ditch; thence to a culvert under Interstate 10; thence to Old River Lake. The TCEQ received this request on November 16, 2023. The application for the permit will be available for reading and copying at Chambers County Court House, 3rd Floor, 404 Washington Avenue, Anahuac, Texas prior to the date of publication of this notice in the newspaper. This link to an electronic map of the general location of the site or facility is provided as a courtesy and is not part of the request or notice. For the exact location, please refer to the application.

ADDITIONAL NOTICE. The Executive Director of TCEQ has determined that the application is administratively complete and will conduct a technical review of the application. After completing the technical review, the Executive Director will prepare a draft permit and issue a Preliminary Decision on the application. The notice of request and the preliminary decision will be posted and sent to those on the mailing list of people throughout the county who wish to receive notices and those on the mailing list who wish to receive notices of this request. The notice will give the deadline for submitting public comments.

PUBLIC COMMENT/PUBLIC MEETING. You may submit public comments or request a public meeting on this request. The purpose of a public meeting is to provide an opportunity to submit comments or ask questions about the application. The TCEQ holds a public meeting if the Executive Director determines that there is a sufficient degree of public interest in the request or if a local legislator requests it. A public meeting is not an administrative hearing of the contentious matter.

OPPORTUNITY FOR AN ADMINISTRATIVE HEARING OF CONTENTIOUS MATTERS. After the public comment period, the Executive Director will consider all appropriate comments and prepare a response to all essential, relevant, or significant public comments. Unless the request has been referred directly to an administrative contentious hearing, the Executive Director's response to comments and decision on the request will be mailed to all public commenters and to persons who are on the list to receive notices of this request. If comments are received, the notice will also provide instructions for requesting a reconsideration of the Executive Director's decision and for requesting an administrative hearing of the contentious matter. An administrative litigation hearing is a legal proceeding similar to a civil legal proceeding in a state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING INFORMATION IN YOUR REQUEST: your name, address, and telephone number; the applicant's name and permit number; the location and distance of your property/activity from the facility; a specific description of how you would be adversely affected by the Site in a manner not common to the general public; a list of all disputed factual issues that you submit during the comment period; and the statement "[I/we] request/request a contested case hearing." If you file the petition for a contested case hearing on behalf of a class or association, you must identify a person representing the group to receive future correspondence; identify the name and address of a group member who would be adversely affected by the proposed plant or activity; provide the information stated above regarding the location of the affected member and its distance from the proposed plant or activity; explain how and why the member would be affected; and explain how the interests the group wishes to protect are relevant to the group's purpose.

After the close of all applicable comment and petition periods, the Executive Director will forward the request and any request for reconsideration or for a contested case hearing to the TCEQ Commissioners for consideration during a scheduled Commission meeting. The Commission may only grant a request for a contested case hearing on issues that the applicant has presented in its timely comments that were not subsequently withdrawn. If a hearing is granted, the subject matter of the hearing will be limited to disputed issues of fact or mixed issues of fact and law relating to permit water or quality material interests that have been raised during the comment period. If certain criteria are met, TCEQ may act on an application to renew a permit without providing an opportunity for an administrative hearing of the contentious matter.

MAILING LIST. If you submit public comments, a request for an administrative contentious hearing, or a reconsideration of the Executive Director's decision, the Office of the Chief Clerk will mail public notices regarding the request. In addition, you may request that TCEQ put your name on one or more of the following mailing lists: (1) the permanent mailing list to receive notices from the applicant indicated by name and specific permit number and/or (2) the mailing list of all applications in a specific county. If you would like to have your name added to one of the lists, please designate which list(s) and mail your request to the TCEQ Office of the Chief Secretary.

CONTACTS AND INFORMATION TO THE AGENCY. All public comments and requests must be submitted electronically via <http://www14.tceq.texas.gov/cpic/cComment/> or in writing addressed to the Texas Commission on Environmental Quality, Office of Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please note that any personal information you provide, including your name, phone number, email address, and physical address, will become part of the Agency's public record. For more information about this permit application or the permitting process, call TCEQ's toll-free public education program at 1-800-687-4040. For information in Spanish, call 1-800-687-4040.
