

22-25 Price Increase Summary

Approval to renew with a price increase ranging from 16.60%- 33% for “RFP #22-25 Vending Machine Services” to Gulf Coastal Vending Services, LLC of Alvin, Texas, as per the attached.

The price increase in product cost is in line with the attached CPI report for food and beverage. The CPI shows pricing has increased by 27% over the last several years, therefore their increase is appropriate since the vendor has never increased rates.
