ADDITIONAL INSURED

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY

The following is added to **1. Insuring Agreement** under **Section I - Coverages**:

Any additional insured under any policy of "underlying insurance" will automatically be an additional insured under this insurance. If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the contract, less any amounts payable by any "underlying insurance".

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "underlying insurance".

COMMERCIAL EXCESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance. The word "insured" means any person or organization qualifying as such under the "controlling underlying insurance".

Other words and phrases that appear in quotation marks in this Coverage Part have special meaning. Refer to Section IV – Definitions. Other words and phrases that are not defined under this Coverage Part but defined in the "controlling underlying insurance" will have the meaning described in the policy of "controlling underlying insurance".

The insurance provided under this Coverage Part will follow the same provisions, exclusions and limitations that are contained in the applicable "controlling underlying insurance", unless otherwise directed by this insurance. To the extent such provisions differ or conflict, the provisions of this Coverage Part will apply. However, the coverage provided under this Coverage Part will not be broader than that provided by the applicable "controlling underlying insurance".

There may be more than one "controlling underlying insurance" listed in the Declarations and provisions in those policies conflict, and which are not superseded by the provisions of this Coverage Part. In such a case, the provisions, exclusions and limitations of the "controlling underlying insurance" applicable to the particular "event" for which a claim is made or suit is brought will apply.

SECTION I – COVERAGES

1. Insuring Agreement

- a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "injury or damage" to which insurance provided under this Coverage Part applies.

We will have the right and duty to defend the insured against any suit seeking damages for such "injury or damage" when the applicable limits of "controlling underlying insurance" have been exhausted in accordance with the provisions of such "controlling underlying insurance".

When we have no duty to defend, we will have the right to defend, or to participate in the defense of, the insured against any other suit seeking damages for "injury or damage".

However, we will have no duty to defend the insured against any suit seeking damages for which insurance under this policy does not apply.

At our discretion, we may investigate any "event" that may involve this insurance and settle any resultant claim or suit, for which we have the duty to defend.

But:

- (1) The amount we will pay for "ultimate net loss" is limited as described in Section II – Limits Of Insurance; and
 - (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under this Coverage Part. However, if the policy of "controlling underlying insurance" specifies that limits are reduced by defense expenses, our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of defense expenses, judgments or settlements under this Coverage Part.
- b. This insurance applies to "injury or damage" that is subject to an applicable "retained limit". If any other limit, such as, a sublimit, is specified in the "controlling underlying insurance", this insurance does not apply to "injury or damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of "controlling underlying insurance".
 - c. If the "controlling underlying insurance" requires, for a particular claim, that the "injury or damage" occur during its policy period in order for that coverage to apply, then this insurance will only apply to that "injury or damage" if it occurs during the policy period of this Coverage Part. If the "controlling underlying insurance" requires that the "event" causing the particular "injury or damage" takes place during its policy period in order for that coverage to apply, then this insurance will apply to the claim only if the "event" causing that "injury or damage" takes place during the policy period of this Coverage Part.

d. Any additional insured under any policy of "controlling underlying insurance" will automatically be an additional insured under this insurance. If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the contract, less any amounts payable by any "controlling underlying insurance".

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "controlling underlying insurance".

2. Exclusions

The following exclusions, and any other exclusions added by endorsement, apply to this Coverage Part. In addition, the exclusions applicable to any "controlling underlying insurance" apply to this insurance unless superseded by the following exclusions, or superseded by any other exclusions added by endorsement to this Coverage Part.

Insurance provided under this Coverage Part does not apply to:

a. Medical Payments

Medical payments coverage or expenses that are provided without regard to fault, whether or not provided by the applicable "controlling underlying insurance".

b. Auto

Any loss, cost or expense payable under or resulting from any of the following auto coverages:

- (1) First-party physical damage coverage;
- (2) No-fault coverage;
- (3) Personal injury protection or auto medical payments coverage; or
- (4) Uninsured or underinsured motorists coverage.

c. Pollution

- (1) "Injury or damage" which would not have occurred, in whole or in part, but for the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of pollutants at any time.
- (2) Any loss, cost or expense arising out of any:
 - (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, pollutants; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, pollutants.

This exclusion does not apply to the extent that valid "controlling underlying insurance" for the pollution liability risks described above exists or would have existed but for the exhaustion of underlying limits for "injury or damage".

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

SECTION II – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations, and the rules below fix the most we will pay regardless of the number of:

- a. Insureds;
- b. Claims made or suits brought, or number of vehicles involved;
- c. Persons or organizations making claims or bringing suits; or
- d. Limits available under any "controlling underlying insurance".

2. The Limits of Insurance of this Coverage Part will apply as follows:

- a. This insurance only applies in excess of the "retained limit".
- b. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss", for all "injury or damage" covered under this Coverage Part. However, this Aggregate Limit only applies to "injury or damage" that is subject to an aggregate limit of insurance under the "controlling underlying insurance".
- c. Subject to Paragraph 2.b. above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under this insurance because of all "injury or damage" arising out of any one "event".
- d. If the Limits of Insurance of the "controlling underlying insurance" are reduced by defense expenses by the terms of that policy, any payments for defense expenses we make will reduce our applicable Limits of Insurance in the same manner.

3. If any "controlling underlying insurance" has a policy period that is different from the policy period of this Coverage Part then, for the purposes of this insurance, the "retained limit" will only be reduced or exhausted by payments made for "injury or damage" covered under this insurance.

The Aggregate Limit of this Coverage Part applies separately to each consecutive annual period of this Coverage Part and to any remaining period of this Coverage Part of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION III – CONDITIONS

The following conditions apply. In addition, the conditions applicable to any "controlling underlying insurance" are also applicable to the coverage provided under this insurance unless superseded by the following conditions.

1. Appeals

If the "controlling underlying insurer" or insured elects not to appeal a judgment in excess of the amount of the "retained limit", we may do so at our own expense. We will also pay for taxable court costs, pre- and postjudgment interest and disbursements associated with such appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section II – Limits Of Insurance.

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

b. Bankruptcy Of Controlling Underlying Insurer

Bankruptcy or insolvency of the "controlling underlying insurer" will not relieve us of our obligations under this Coverage Part.

However, insurance provided under this Coverage Part will not replace any "controlling underlying insurance" in the event of bankruptcy or insolvency of the "controlling underlying insurer". The insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect and recoverable.

3. Duties In The Event Of An Event, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "event", regardless of the amount, which may result in a claim under this insurance. To the extent possible, notice should include:

- (1) How, when and where the "event" took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any "injury or damage" arising out of the "event".

- b. If a claim is made or suit is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or suit and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or suit as soon as practicable.

- c. You and any other insured involved must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the suit; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of "injury or damage" to which this insurance may also apply.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

4. First Named Insured Duties

The first Named Insured is the person or organization first named in the Declarations and is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for giving and receiving of notice of cancellation or the receipt of any return premium that may become payable.

At our request, the first Named Insured will furnish us, as soon as practicable, with a complete copy of any "controlling underlying insurance" and any subsequently issued endorsements or policies which may in any way affect the insurance provided under this Coverage Part.

5. Cancellation

- a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.
- b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
 - (1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.
- d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
- e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.
- f. If notice is mailed, proof of mailing will be sufficient proof of notice.

6. Changes

This Coverage Part contains all the agreements between you and us concerning the insurance afforded. The first Named Insured is authorized by all other insureds to make changes in the terms of this Coverage Part with our consent. This Coverage Part's terms can be amended or waived only by endorsement.

7. Maintenance Of/Changes To Controlling Underlying Insurance

Any "controlling underlying insurance" must be maintained in full effect without reduction of coverage or limits except for the reduction of aggregate limits in accordance with the provisions of such "controlling underlying insurance" that results from "injury or damage" to which this insurance applies.

Such exhaustion or reduction is not a failure to maintain "controlling underlying insurance". Failure to maintain "controlling underlying insurance" will not invalidate insurance provided under this Coverage Part, but insurance provided under this Coverage Part will apply as if the "controlling underlying insurance" were in full effect.

The first Named Insured must notify us in writing, as soon as practicable, if any "controlling underlying insurance" is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any "controlling underlying insurance" is changed.

8. Other Insurance

- a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent or on any other basis. This condition will not apply to insurance specifically written as excess over this Coverage Part.

When this insurance is excess, if no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

- b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:
 - (1) The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this Coverage Part; and
 - (2) The total of all deductible and self-insured amounts under all that other insurance.

9. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. If this policy is auditable, the premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period, we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit premium is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

10. Loss Payable

Liability under this Coverage Part does not apply to a given claim unless and until:

- a. The insured or insured's "controlling underlying insurer" has become obligated to pay the "retained limit"; and
- b. The obligation of the insured to pay the "ultimate net loss" in excess of the "retained limit" has been determined by a final settlement or judgment or written agreement among the insured, claimant, "controlling underlying insurer" (or a representative of one or more of these) and us.

11. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a suit asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, "controlling underlying insurer" and the claimant or the claimant's legal representative.

12. Transfer Of Defense

a. Defense Transferred To Us

When the limits of "controlling underlying insurance" have been exhausted, in accordance with the provisions of "controlling underlying insurance", we may elect to have the defense transferred to us. We will cooperate in the transfer of control to us of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

b. Defense Transferred By Us

When our limits of insurance have been exhausted our duty to provide a defense will cease.

We will cooperate in the transfer of control of defense to any insurer specifically written as excess over this Coverage Part of any outstanding claims or suits seeking damages to which this insurance applies and which would have been covered by the "controlling underlying insurance" had the applicable limit not been exhausted.

In the event that there is no insurance written as excess over this Coverage Part, we will cooperate in the transfer of control to the insured and its designated representative.

13. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION IV – DEFINITIONS

The definitions applicable to any "controlling underlying insurance" also apply to this insurance. In addition, the following definitions apply.

1. "Controlling underlying insurance" means any policy of insurance or self-insurance listed in the Declarations under the Schedule of "controlling underlying insurance".
2. "Controlling underlying insurer" means any insurer who provides any policy of insurance listed in the Declarations under the Schedule of "controlling underlying insurance".

WAIVER OF SUBROGATION

This endorsement modifies insurance provided under the following:

COMMERCIAL EXCESS LIABILITY

- A.** It is agreed the following is added to Section III – Conditions:

Notwithstanding any language to the contrary in **SECTION III – CONDITIONS** paragraph **6. Other Insurance** of this policy, we waive rights of recovery we may have because of payments we make for injury or damage arising out of your work performed under a written contract requiring such waiver with that person or organization and included in the premises/operations and products-completed operations hazard. However, our rights may only be waived prior to the “incident” giving rise to the injury or damage for which we make payment under this policy.

PARAMOUNT EXCESS LIABILITY POLICY

Various provisions in this Policy restrict coverage. Read the entire Policy carefully to determine rights, duties and what is and is not covered.

The "Insurer" refers to the insurer providing this insurance as set forth on the Declarations of this Policy. Words and phrases that appear in **bold** have special meaning. Refer to the section entitled **DEFINITIONS**.

I. COVERAGE

The Insurer will pay on behalf of the insured those **damages** in excess of the **underlying limits**. Coverage under this Policy shall attach only after the full amount of the **underlying limits** have been exhausted through payment in legal currency of covered loss under all **underlying insurance** by the **underlying insurer** or the **Named Insured**.

Coverage under this Policy shall then apply in conformance with the terms and conditions of the **controlling underlying policy** except for the premium, limit of insurance, deductible, retentions or any other term or condition in the **controlling underlying policy** which is inconsistent with any term or condition of this Policy. In the event of any inconsistent terms or conditions in the **controlling underlying policy**, the terms and conditions of this Policy control.

Nothing will obligate the Insurer to:

- A. provide coverage that is not also provided by every **underlying insurance** policy; or
- B. investigate, pay or defend any claim or suit before the **underlying insurance** is exhausted by payment of **damages** to which this Policy applies.

II. EXCLUSIONS

This insurance does not apply to:

A. ASBESTOS

- 1. any actual or alleged injury or damage arising out of any actual, threatened or alleged exposure at any time to **asbestos**; or
- 2. any actual or alleged loss, cost or expense that may be awarded or incurred:
 - a. by reason of a claim for any such injury or damage; or
 - b. in complying with a governmental direction or request to test for, monitor, clean up, remove, contain or dispose of **asbestos**.

B. SUB-LIMITED COVERAGES

any coverage provided in any **underlying insurance** subject to a **sub-limit**.

III. LIMIT OF INSURANCE

A. Multiple insureds, claims, claimants

The limits of insurance shown in the Declarations of this Policy and the rules below fix the most the Insurer will pay regardless of the number of:

- 1. insureds;

2. claims made or suits brought against the insured; or
3. persons or organizations making claims or bringing suits.

B. Aggregate Limit

Subject to the Each **Incident** limit, the limit of insurance shown in the Declarations of this Policy as the Aggregate limit is the most that the Insurer will pay as **damages** under this Policy, regardless of the length of the policy period. However, the Aggregate limit of insurance:

1. will not apply to **damages** covered by the **controlling underlying policy** to which an aggregate limit does not apply, provided that all other **underlying insurance** also does not apply an aggregate limit; and
2. will apply in the same manner as the aggregate limit of the **controlling underlying policy** applies, provided that all other **underlying insurance** also applies the aggregate limit in the same manner.

C. Policy Aggregate Limit

This provision **C.** only applies if an amount is shown in the Declarations as the Policy Aggregate limit.

Subject to the Each **Incident** limit and Aggregate limit, the Policy Aggregate limit is most the Insurer will pay as **damages** under this Policy, except for **damages** because of auto liability covered by all applicable policies listed in the Schedule of **Underlying Insurance** under which the limits of insurance of all such policies are not aggregated.

D. Each Incident Limit

Subject to the Aggregate limit and Policy Aggregate limit, the limit of insurance shown in the Declarations of this Policy as the Each **Incident** limit is the most the Insurer will pay as **damages** arising out of any one **incident** under this Policy.

If the limits of insurance under this Policy are exhausted by payment of **damages**, the Insurer's obligations shall be deemed completely fulfilled and extinguished.

IV. CONDITIONS

A. Changes to the Policy

None of the terms and conditions of this Policy will be waived, changed or modified except by written endorsement issued by the Insurer to form a part of this Policy.

B. Financial Impairment

Bankruptcy, rehabilitation, receivership, liquidation or other financial impairment of the **Named Insured** or an **underlying insurer** shall neither relieve nor increase any of the Insurer's obligations under this Policy.

In the event there is diminished recovery or no recovery available to the **Named Insured** as a result of financial impairment of an **underlying insurer**, the coverage under this Policy shall apply only in excess of the **underlying limits**. Under no circumstances shall the Insurer be required to drop down and replace the **underlying limits**, or assume the obligations of the **Named Insured** or the financially impaired insurer.

C. Maintenance of Underlying Insurance

While this Policy is in force the first **Named Insured** listed in the Declarations agrees that the **underlying insurance** and renewals and replacements thereof shall be maintained, without alterations of terms or conditions, in full effect during the term of this Policy, except for reduction or exhaustion of the limits of insurance in the **underlying insurance**, provided that such reduction or exhaustion is solely the result

of payment of **damages** to which this Policy applies.

If the first **Named Insured** listed in the Declarations fails to maintain **underlying insurance**, this condition shall not invalidate this Policy. However, in the event of such failure, the Insurer will only be liable to the same extent as if such **underlying insurance** was in full force and effect without alteration of its terms and conditions.

If, subsequent to the inception date of this Policy, there is a change to any **underlying insurance** which expands coverage, then this Policy shall become subject to such change only if and to the extent the Insurer agrees to such change by written endorsement to this Policy.

The **underlying limits** shall not be deemed depleted by payment of a **sub-limit** under any **underlying insurance** (whether or not such **sub-limit** erodes the limits generally available to all claims).

D. Notices

Where notice is permitted or required by the **controlling underlying policy**, the insureds have the same rights and obligations to notify the Insurer under this Policy, except that the notice shall be submitted in writing to the Insurer at the address set forth in the Declarations of this Policy.

E. Other Insurance

If the insured is entitled to be indemnified or otherwise insured in whole or in part for any **damages** or **defense costs** by any **other insurance** which otherwise would have been indemnified in whole or in part by this Policy, the limits of insurance specified in the Declarations of this Policy shall apply in excess of, and shall not contribute to such **other insurance**.

b. Key Definitions.

1) Federally Assisted Construction Contract. The regulation at 41 C.F.R.

§ 60-1.3 defines a “federally assisted construction contract” as any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.

(2) Construction Work. The regulation at 41 C.F.R. § 60-1.3 defines “construction work” as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction

§ 60–1.4 Equal opportunity clause.

Government contracts. Except as otherwise provided, each contracting agency shall include the following equal opportunity clause contained in section 202 of the order in each of its Government contracts (and modifications thereof if not included in the original contract):

1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

16.16 **Davis-Bacon Act and Copeland Anti-Kickback Act**

(1) Minimum wages.

(i) All laborers and mechanics employed or working upon the site of the work (or under the United States Housing Act of 1937 or under the Housing Act of 1949 in the construction or development of the project), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph (a)(1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii)

(A) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(C) In the event the contractor, the [laborers](#) or mechanics to be [employed](#) in the classification or their representatives, and the [contracting officer](#) do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the [contracting officer](#) shall refer the questions, including the views of all interested parties and the recommendation of the [contracting officer](#), to the [Administrator](#) for determination. The [Administrator](#), or an authorized representative, will issue a determination within 30 days of receipt and so advise the [contracting officer](#) or will notify the [contracting officer](#) within the 30-day period that additional time is necessary.

(D) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs (a)(1)(ii) (B) or (C) of this section, shall be paid to all workers performing work in the classification under this [contract](#) from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the [contract](#) for a class of [laborers](#) or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as [stated](#) in the [wage determination](#) or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the [wages](#) of any [laborer](#) or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the [Secretary](#) of Labor has found, upon the written request of the contractor, that the applicable standards of the [Davis-Bacon Act](#) have been met. The [Secretary](#) of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(2) Withholding. The (write in name of [Federal Agency](#) or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this [contract](#) or any other Federal [contract](#) with the same prime contractor, or any other federally-assisted [contract](#) subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay [laborers](#) and mechanics, including [apprentices](#), trainees, and helpers, [employed](#) by the contractor or any subcontractor the full amount of [wages](#) required by the [contract](#). In the event of failure to pay any [laborer](#) or mechanic, including any [apprentice](#), [trainee](#), or helper, [employed](#) or working on [the site of the work](#) (or under the [United States Housing Act of 1937](#) or under the [Housing Act of 1949](#) in the construction or development of the project), all or part of the [wages](#) required by the [contract](#), the (Agency) may, after written notice to the contractor, [sponsor](#), applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(3) Payrolls and basic records.

(i) Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all [laborers](#) and mechanics working at [the site of the work](#) (or under the [United States Housing Act of 1937](#), or under the [Housing Act of 1949](#), in the construction or development of the project). Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of [wages](#) paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the [Davis-Bacon Act](#)), daily and weekly number of hours worked, deductions made and actual [wages](#) paid. Whenever the [Secretary](#) of Labor has found under [29 CFR 5.5\(a\)\(1\)\(iv\)](#) that the [wages](#) of any [laborer](#) or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the [Davis-Bacon Act](#), the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the [laborers](#) or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing [apprentices](#) or [trainees](#) under approved programs shall maintain written evidence of the registration of [apprenticeship programs](#) and certification of [trainee](#) programs, the registration of the [apprentices](#) and trainees, and the ratios and wage rates prescribed in the applicable programs.

(ii)

(A) The contractor shall submit weekly for each week in which any [contract](#) work is performed a copy of all payrolls to the (write in name of appropriate federal agency) if the [agency](#) is a party to the [contract](#), but if the [agency](#) is not such a party, the contractor will submit the payrolls to the applicant, [sponsor](#), or owner, as the case may be, for transmission to the (write in name of agency). The payrolls submitted shall set out accurately and completely all of the information required to be maintained under [29 CFR 5.5\(a\)\(3\)\(i\)](#), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each [employee](#) (e.g., the last four digits of the [employee's](#) social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors

shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the (write in name of appropriate federal agency) if the [agency](#) is a party to the [contract](#), but if the [agency](#) is not such a party, the contractor will submit them to the applicant, [sponsor](#), or owner, as the case may be, for transmission to the (write in name of agency), the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the [sponsoring](#) government [agency](#) (or the applicant, [sponsor](#), or owner).

(B) Each payroll submitted shall be accompanied by a “Statement of Compliance,” signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons [employed](#) under the [contract](#) and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under § 5.5 (a)(3)(ii) of Regulations, [29 CFR part 5](#), the appropriate information is being maintained under § 5.5 (a)(3)(i) of Regulations, [29 CFR part 5](#), and that such information is correct and complete;

(2) That each [laborer](#) or mechanic (including each helper, [apprentice](#), and trainee) [employed](#) on the [contract](#) during the payroll period has been paid the full weekly [wages](#) earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full [wages](#) earned, other than permissible deductions as set forth in Regulations, [29 CFR part 3](#);

(3) That each [laborer](#) or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable [wage determination](#) incorporated into the [contract](#).

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the “Statement of Compliance” required by [paragraph \(a\)\(3\)\(ii\)\(B\)](#) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and [section 231](#) of title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under [paragraph \(a\)\(3\)\(i\)](#) of this section available for inspection, copying, or transcription by authorized representatives of the (write the name of the agency) or the Department of Labor, and shall permit such representatives to interview [employees](#) during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the [Federal agency](#) may, after written notice to the contractor, [sponsor](#), applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to [29 CFR 5.12](#).

(4) Apprentices and trainees -

(i) Apprentices. [Apprentices](#) will be permitted to work at less than the predetermined rate for the work they performed when they are [employed](#) pursuant to and individually registered in a bona fide [apprenticeship program](#) registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, [Employer](#) and Labor Services, or with a [State Apprenticeship Agency](#) recognized by the Office, or if a person is [employed](#) in his or her first 90 days of probationary employment as an [apprentice](#) in such an [apprenticeship program](#), who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, [Employer](#) and Labor Services or a [State Apprenticeship Agency](#) (where appropriate) to be eligible for probationary employment as an [apprentice](#). The allowable ratio of [apprentices](#) to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an [apprentice](#) wage rate, who is not registered or otherwise [employed](#) as [stated](#) above, shall be paid not less than the applicable wage rate on the [wage determination](#) for the classification of work actually performed. In addition, any [apprentice](#) performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the [wage determination](#) for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every [apprentice](#) must be paid at not less than the rate specified in the registered program for the [apprentice](#)'s level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable [wage determination](#). [Apprentices](#) shall be paid fringe benefits in accordance with the provisions of the [apprenticeship program](#). If the [apprenticeship program](#) does not specify fringe benefits, [apprentices](#) must be paid the full amount of fringe benefits listed on the [wage determination](#) for the applicable classification. If the [Administrator](#) determines that a different practice prevails for the applicable [apprentice](#) classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, [Employer](#) and Labor Services, or a [State Apprenticeship Agency](#) recognized by the Office, withdraws approval of an [apprenticeship program](#),

the contractor will no longer be permitted to utilize [apprentices](#) at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in [29 CFR 5.16](#), [trainees](#) will not be permitted to work at less than the predetermined rate for the work performed unless they are [employed](#) pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of [trainees](#) to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every [trainee](#) must be paid at not less than the rate specified in the approved program for the [trainee's](#) level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable [wage determination](#). [Trainees](#) shall be paid fringe benefits in accordance with the provisions of the [trainee](#) program. If the [trainee](#) program does not mention fringe benefits, [trainees](#) shall be paid the full amount of fringe benefits listed on the [wage determination](#) unless the [Administrator](#) of the Wage and Hour Division determines that there is an [apprenticeship program](#) associated with the corresponding journeyman wage rate on the [wage determination](#) which provides for less than full fringe benefits for [apprentices](#). Any [employee](#) listed on the payroll at a [trainee](#) rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the [wage determination](#) for the classification of work actually performed. In addition, any [trainee](#) performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the [wage determination](#) for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize [trainees](#) at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of [apprentices](#), [trainees](#) and journeymen under this part shall be in conformity with the equal employment opportunity requirements of [Executive Order 11246](#), as amended, and [29 CFR part 30](#).

(5) Compliance with Copeland Act requirements. The contractor shall comply with the requirements of [29 CFR part 3](#), which are incorporated by reference in this [contract](#).

(6) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses contained in [29 CFR 5.5\(a\)\(1\)](#) through (10) and such other clauses as the (write in the name of the Federal agency) may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the [contract](#) clauses in [29 CFR 5.5](#).

(7) Contract termination: debarment. A breach of the [contract](#) clauses in [29 CFR 5.5](#) may be grounds for termination of the [contract](#), and for debarment as a contractor and a subcontractor as provided in [29 CFR 5.12](#).

(8) Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in [29 CFR parts 1, 3, and 5](#) are herein incorporated by reference in this [contract](#).

(9) Disputes concerning labor standards. Disputes arising out of the [labor standards](#) provisions of this [contract](#) shall not be subject to the general disputes clause of this [contract](#). Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in [29 CFR parts 5, 6, and 7](#). Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting [agency](#), the U.S. Department of Labor, or the [employees](#) or their representatives.

(10) Certification of eligibility.

(i) By entering into this [contract](#), the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the [Davis-Bacon Act](#) or [29 CFR 5.12\(a\)\(1\)](#).

(ii) No part of this [contract](#) shall be subcontracted to any person or firm ineligible for award of a Government [contract](#) by virtue of section 3(a) of the [Davis-Bacon Act](#) or [29 CFR 5.12\(a\)\(1\)](#).

(iii) The penalty for making false statements is prescribed in the U.S. [Criminal Code, 18 U.S.C. 1001](#).

16.17 "Compliance with the Copeland "Anti-Kickback" Act.

(1) Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as any State and or Federal Agency may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.”

16.18 **Contract Work Hours and Safety Standards Act**

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(1) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages. The State, Federal agency, loan or grant recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.”
