Hello Tricia, I am sending an email request for interlocal help with the cities, Ball Park Road. This is the road off the spur into our ballpark complex. The county helped repair this road before . We are needing it repaired again. The parking lot was used for a debris site during the hurricane, and the large debris trucks left large ruts in it. Let me know if I need to send a video of the current condition, or pictures. Let me know, thank you

Sue Powell
