THE COMMISSIONERS' COURT OF BRAZORIA COUNTY
REGULAR SESSION

ORDER NO. 7.O.3

RE: Revised Standardized Furniture

Approve the attached revised standardized furniture list for County departments, as recommended by the furniture committee.

A standardized furniture list was originally approved by Commissioners' Court on July 14, 2009, court order no. 57 and revised on December 8, 2009, per court order no. 22 along with other furniture additions over the years. This revised list deletes discontinued and unneeded items and adds new furniture and color selections.
