**RE: Renewal Letter Bid 21-32 Road Materials – Surface Course**

Susan,

Vulcan Materials is requesting a price increase letter for the renewal of contract 21-32 Road Materials – Surface Course. Based off the PPI Index (PCU212319212319P) for Other Crushed and Broken Stone Mining and PPI Index (PCU2123121231) for Stone Mining and Quarry we are allowed for a 6.55% increase. Attached is a copy of the index with the date range from April 2024 – December 2024. Vulcan is only requesting a 4.49% which equates to a \$4 increase.

Please let us know if you may need anything else from us.

Sincerely,

A handwritten signature in black ink, appearing to read "Anthony DeLeon". The signature is written in a cursive style with a large initial "A" and a long, sweeping underline.
