While Motorola is responsible for converting the specified data, it is critical that Brazoria County assign a knowledgeable resource to this activity that will remain engaged throughout the conversion process.

The Legacy System database must be in a relational database structure and on Brazoria County's provided hardware and software. Additionally, Motorola must be able to link directly to the Legacy System databases from the PremierOne database server on the PremierOne domain.

Motorola does not provide any data cleansing or manipulation of the data in the Legacy System and conducts a single, one time, bulk load of the legacy data into Brazoria County's PremierOne Records production system. In addition to the single bulk load into Brazoria County's PremierOne Records production system, Motorola will perform one bulk load into Brazoria County's PremierOne Records training system to ensure the accuracy of mapping.

Brazoria County should conduct a comprehensive analysis of the data in the Legacy System to identify duplicate data/records, lost data, orphaned records, records that have not been linked properly, or records that are otherwise no longer valid and resolve those issues prior to Motorola performing the data conversion.

Motorola will do its best to map all data fields from Legacy System to PremierOne Records; however, there is a possibility some data will not be converted. Motorola will identify this data to Brazoria County and discuss alternatives prior to the bulk load of the legacy data.

Daniel's mission is to improve the lives of children and families. One way we do that is by helping professionals, clients, and their respective organizations establish and maintain effective Independent Living Programs. Daniel's National Independent Living Conference, Growing Pains, is a must-attend event for youth service professionals, independent living professionals, and youth aged 15 and up.

Growing Pains presenters include experts in the field of independent living who lead training sessions, workshops, panel discussions, and leadership and team building activities dedicated to the needs of youth who are currently in care. Each general session and workshop offers innovative ideas on how youth can adapt to life's ever-changing situations and be properly guided to become competent, responsible, independent adults. For conference attendees seeking extra training, plan to attend pre-conference institutes one day prior to the general conference start.

RE: Subdivision of Property
Subdivision Name: Christopher Leissner
Legal Description of Property: BCAD 696187 - A0056 JOHN CUMMINGS TRACT 8 (ALLHANDS SD) ACRES
15.834
Site Address of Property: 2109 County Road 244, Brazoria, TX 77422

The Environmental Health Department has received your request to review the subdivision of the above described property. This department must ensure compliance with Title 30 of the Texas Administrative Code, Chapter 285 with regard to On-Site Sewage Facilities. The applicable rules related to land planning and site evaluation are found in §285.4(a) which reads as follows:

(1) Residential lot sizing.

(A) Platted or unplatted subdivisions served by a public water supply. Subdivisions of single-family dwellings platted or created after the effective date of this section, served by a public water supply and using individual OSSFs for sewage disposal, shall have lots of at least 1/2 acre.

(B) Platted or unplatted subdivisions not served by a public water supply. Subdivisions of single-family dwellings platted or created after the effective date of this section, not served by a public water supply and using individual OSSFs, shall have lots of at least one acre.

The referenced survey plat implies sufficient room to install on-site sewage facilities without creating a public health nuisance provided the design of the on-site sewage facility complies with all setback requirements as described in §285.91(10) of the above referenced statutes.

The property currently exists as Tract 8 15.834-acres with a home, detached garage, and RV with a permitted OSSF 2023-535. It is proposed to divide 5.512-acres out of the 15.834-acre tract. The new 5.512-acre tract of pasture will be labeled Tract 8D. The original Tract 8 will reduce to 10.322-acres with the home, detached garage, and RV with a permitted OSSF 2023-535, renamed Tract 8C. The property owner may utilize on-site sewage facilities with an authorized permit from Brazoria County Environmental Health Department. Therefore, the Brazoria County Environmental Health Department has no objection to the subdivision of the property described as A0056 JOHN CUMMINGS TRACT 8 (ALLHANDS SD) ACRES-15.834 in Brazoria County, Texas.

Sincerely,

Jodie Vice, DR # OS0024815

This Deed is being refiled as a Correction Deed to take the place of the original Deed as it is recorded in Volume 1760, Page 734 in the official records of Brazoria County, Texas. As originally executed and filed, the original Deed mistakenly reserved to the grantors therein, being the same grantors herein, an undivided one-eighth interest each in the oil gas and other minerals in and under the real property made the subject of said prior Deed and this Deed. It was the intention of the grantors and grantees, that a total of one-eighth mineral interest be reserved to the undersigned three grantors being a one twenty-fourth mineral interest rather than an one-eighth interest each. In all other respects this Correction Deed is the same as the original Deed. Accordingly said original Deed is corrected to read as follow:

SAVE and EXCEPT, and there is hereby reserved to Grantors, their heirs and assigns, a undivided 1/24 interest each, in the oil, gas and other minerals in and under that may be produced from the above property, together with the right of ingress and egress at all times for the purpose of mining, drilling, exploring, operating and developing said lands for oil, gas and other minerals and removing the same therefrom.

Grantor(s) warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

This Deed of Trust is given to secure and enforce the following notes, obligations, indebtedness and liabilities, to-wit:

- a) One certain promissory note of even date herewith made by Grantor(s) payable to the order of **First State Bank**, hereinafter styled "Lender", in the original principal amount of **One Hundred Thirty Two Thousand Two Hundred and 00/100 (U.S. \$132,200.00)**, payable as therein provided; due and payable on **January 23, 2026**. Lender is the beneficiary under this Deed of Trust.
- b) All indebtedness arising pursuant to any of the provisions of this instrument;
- c) To the extent permitted under applicable law, all renewals and extensions, in whole or in part, of the promissory note described in (a) above or any other indebtedness described in (b) or (c) above, including any and all notes made or given in substitution or exchange therefor, said notes, obligations, indebtedness and liabilities described and mentioned in (a) through (d) above, inclusive, being hereinafter collectively referred to as "indebtedness."
- d) That Grantor(s) will pay (prior to delinquency) all taxes and assessments levied or assessed upon the Property, or the interest created therein by this Deed of Trust, and exhibit the receipts therefor to Lender (unless such payments are made by Lender, as hereinafter provided), and will defend the title and possession of the Property to the end that this Deed of Trust shall be and remain a first lien on the Property until the debt is paid. That Grantor(s) will pay all attorney's fees and expenses which may be incurred by Lender in enforcing the terms of the Note and this Deed of Trust or in any suit which Lender may become a party where this Deed of Trust or the Property is in any manner involved, and all expenses incurred in presenting a claim against the estate of a decedent or a bankrupt. The Beneficiary is hereby authorized, but shall not be required, on behalf and in the name of Grantors, to execute and deliver acquittances for, and to appeal from, any such judgments or awards. The Beneficiary may apply all or any part of such sums so received, after the payment of all expenses, including costs and attorney's fees, on the debt in such manner as the Beneficiary elects;

Now, should Grantor(s) make prompt payment of said indebtedness, and shall pay, or cause to be paid, all other indebtedness secured by this conveyance, both principal and interest, as the same shall become due and payable, and strictly comply with all the conditions and requirements herein provided, then this conveyance shall become null and void and of no further force or effect, and shall be released at the cost and expense of Grantor(s). But should Grantor(s) make default in the punctual payments of said indebtedness, or any part thereof, principal or interest, as

Texas Deed of Trust - Unimproved Property

the same shall become due and payable, or should Grantor(s) in any respect fail to keep and perform any one or more of the conditions herein provided to be kept and performed by Grantor(s), then, in any such case, the whole amount of said indebtedness remaining shall, at the option of Lender, immediately mature and become payable, and it shall thereupon, or at any time thereafter, the same, or any part thereof, remaining unpaid, be the duty of the Trustee herein, and of his successor or substitute, as hereinafter provided, on the request of Lender (which request is hereby presumed) to enforce this Trust; and after advertising the time, place and terms of the sale of all of the above conveyed and described property, or any part thereof (the privilege of selling in whole or in part being hereby granted) for at least twenty-one days successively next before the day of sale, by posting up written or printed notices thereof at the door of the Courthouse of the County, or each County in which said real estate is situated, to sell the same, in accordance with such advertisement, at public venue, at the Courthouse door of the County in which the sale is to be made, on the first Tuesday in any month between the hours of ten o'clock A.M. and four o'clock P.M. to the highest bidder for cash, selling all property above conveyed as an entirety or in parcels as the Trustee may elect, and make due conveyance to the purchaser or purchasers, with general warranty, binding Grantor(s) herein and their heirs and assigns; and, out of the money arising from such sale, the Trustee acting shall pay: First, all the expenses of advertising the sale and making the conveyance, including the commission of five percent to himself, which commission shall be due and owing in addition to the attorney fees provided for in said note, and then to Lender the full amount of principal and interest due and unpaid on said note and all other indebtedness secured hereby including all taxes, assessments, insurance premiums or other advancements made as provided for herein, with interest thereon, rendering the balance of the sales price, if any, to Grantor(s), their heirs, or assigns; and said sale shall forever be a perpetual bar against Grantor(s), their heirs and assigns, and all other persons claiming under any of them. It is expressly agreed that the recitals in the conveyance to the purchaser shall be full evidence of the trust of the matters therein stated, and all prerequisites to said sale shall be presumed to have been performed. Lender shall have equal rights to become the purchaser at such sale, being the highest bidder.

In addition to the posting of the notice provided for above, Trustee or Lender shall, at least twenty-one days preceding the date specified in the hereinabove described notice as the date upon which said property will be sold as aforesaid, serve written notice of the proposed sale by certified mail on each debtor obligated to pay such debt according to the records of Lender which service shall be completed upon deposit of the notice, or a copy thereof, enclosed in a postpaid wrapper, properly addressed to each of such debtors at the most recent address as shown by the records of Lender, in a post office or official depository under the care and custody of the United States Postal Service or its successors. It is expressly agreed that the affidavit of any person having knowledge of the facts to the effect that such service was completed as aforesaid, shall be prima facie evidence of the fact of such service and it is further expressly agreed and stipulated that Trustee, or any employee, agent or representative of Lender may make such service as aforesaid.

In any event, with or without cause or reason, at the option of Lender, a successor and substitute Trustee may be named, constituted and appointed by Lender, without other formality than an appointment and designation in writing, and this conveyance shall vest in him, as Trustee, the estate and title in all said premises and he shall thereupon hold, possess and execute all the title, rights, powers and duties herein conferred on said Trustee named, and his conveyance to the purchaser shall be equally valid and effective; and such right to appoint a successor or Substitute Trustee shall exist as often and whenever from any of said causes, any Trustee, original or substitute, cannot or will not act.

It is agreed and stipulated that Grantor(s) shall and will at their own proper cost and expense, keep the property and premises herein described, and upon which a lien is hereby given and created, in good repair and condition, and to pay and discharge as they are or may become payable, all and every taxes and assessments that are or may become payable thereon under any law, ordinance or regulation, whether made by Federal, State, or Municipal authority, and shall keep said property fully insured in some company or companies approved by Lender, to whom the loss, if any, shall be payable, and by whom the policies shall be kept. And in case of default made by Grantor(s) in performance

Texas Deed of Trust - Unimproved Property

of any of the foregoing stipulations, the same may be performed by Lender, for account and at the expense of Grantor(s), and any and all expenses incurred and paid in so doing shall be payable by Grantor(s) to the Lender with interest at the rate specified in said note from the date when the same was so incurred or paid, and shall stand secured and payable by and under this Deed of Trust in like manner with the other indebtedness herein mentioned, and the amount and nature of such expense and time when paid shall be held fully established by the affidavit of Lender, or the Lender's agent, or by the certificate of any Trustee acting hereunder. Provided, however, that the exercise of the right of advancement shall not be considered or constitute a waiver of the right of Lender to declare same, and all other indebtedness hereunder to be at once due and payable.

It is further agreed and stipulated that the security herein and hereby provided shall not affect, nor be affected by, any other or further security taken or to be taken for the same indebtedness, or any part thereof; and Grantor(s) hereby declare that the property hereinbefore mentioned and conveyed to Trustee forms no part of any property as exempt from forced sale under the laws of the State, and disclaim and renounce all and every claim thereto under such law or laws.

It is further agreed and stipulated by Grantor(s) that in the event of any sale, under the terms of this Deed of Trust by the Trustee or a successor substitute Trustee, of the above described property, Grantor(s), their heirs (or successors) and assigns or any party holding possession of the above described property shall forthwith deliver possession of the property to the purchaser at such sale and upon failure to so deliver possession, the relationship of landlord and tenant at will shall be created, and upon demand said purchaser shall be entitled to institute and proceed with the Forcible Detainer action in the Justice of the Peace Court in the Justice Precinct in which said property is located.

The property described herein may not be conveyed by Grantor(s) to anyone who would assume the indebtedness herein described unless the consent of Lender be first obtained in writing. This prohibition against assumption applies to a conveyance, contract of sale, wraparound transaction, or any form or purported transfer, assignment or conveyance whatever. Failure to obtain the consent of Lender to such conveyance may result in acceleration of the maturity of the indebtedness herein described at the option of Lender.

It is expressly understood and agreed that the recitals in the conveyance to the purchaser at said sale shall be full evidence of the truth of the matters therein stated and all prerequisites to said sale shall be conclusively presumed to have been performed and such sale and conveyance shall be conclusive against Grantor(s) herein, their heirs and assigns, whether such prerequisites shall have been performed or shall not have been performed.

RE: Plat Review

Subdivision Name (if applicable): Holiday Point Subdivision Plat
Legal Description of Property: A0126 GEO ROBINSON, BLOCK 3, TRACT 7 (PT), ACRES 9.690
A0126 GEO ROBINSON, BLOCK 3 TRACT 7A-8-9 ACRES 15.02
Site Address of Property: CR 30 PID 160348 / 160349

The Environmental Health Department has received your request to review the subdivision of the above described property. This department must ensure compliance with Title 30 of the Texas Administrative Code, Chapter 285 with regard to On-Site Sewage Facilities. The applicable rules related to land planning and site evaluation are found in §285.4(a) which reads as follows:

(1) Residential lot sizing.

(A) Platted or unplatted subdivisions served by a public water supply. Subdivisions of single family dwellings platted or created after the effective date of this section, served by a public water supply and using individual OSSFs for sewage disposal, shall have lots of at least 1/2 acre.

(B) Platted or unplatted subdivisions not served by a public water supply. Subdivisions of single family dwellings platted or created after the effective date of this section, not served by a public water supply and using individual OSSFs, shall have lots of at least one acre.

The referenced survey plat implies sufficient room to install on-site sewage facilities without creating a public health nuisance provided the design of the on-site sewage facility complies with all setback requirements as described in §285.91(10) of the above referenced statutes. The preliminary plat proposes to create 13 new lots from a 15.02-acre tract. The suggested tracts include; Lot 1 – 4 each 1.122-acres, Lot 5 1.40-acres, Lot 6 1.20-acres, Lot 7-12 each 1.054-acres, and Lot 13 1.20-acres. The property owner may utilize on-site sewage facilities with an authorized permit from Brazoria County Environmental Health Department. Therefore, the Brazoria County Environmental Health Department has no objection to the subdivision of the property described as A0126 GEO ROBINSON, BLOCK 3, TRACT 7 (PT), ACRES 9.690 / A0126 GEO ROBINSON, BLOCK 3 TRACT 7A-8-9 ACRES 15.02 in Brazoria County, Texas.

Tricia,

Could we please get this on County's to do list for the City of Hillcrest Village.

We would like the following sign replacement and additions started on W. Timberlane Dr:

- 4 speed limit 20 signs:
 - 2 of those are new installs w/round posts
 - 2 are replacement signs - before and after the W. Timberlane Dr/Fairway Dr curve (not the S-curve) Mayor will mark the locations once given a 48-hr notice of installation so he doesn't have to keep marking.
- 2 speed humps ahead signs to go with new speed limit signs placement is across from 207 W Timberlane Dr & before 205 Fairway Dr. (if coming from Fairway Dr)
- 2 No thru trucks signs (replacements with replacement speed limit signs - on each end of the street)

The signs listed above we have already purchased and are sitting at the city office - 200 W. Timberlane Dr. They are hoping to have any kind of idea for when sign installation will be done as they are hoping it will beat the installation of the speed hump for liability reasons.

If County could kindly supply two (2) additional sign posts to replace the 2 existing signs on W. Timberlane Dr.

Council thanks your Department for all their help in this

Thanks,

City of Richwood TEXAS

To: Brandy Weidner

From: Richwood Public Works

RE: Driveway Culvert Extension (245 Success)

Brandy,

As Director of Public Works and Floodplain Administrator for the City of Richwood, I approve your request to extend driveway culverts to the east to join with existing driveway culverts currently at 241 Success. The City of Richwood limits driveway widths within open ditch drainage areas to 20 feet, but in the past have approved an additional 4-foot extension to residents requesting a wider driveway approach.

Based on measurements provided via Google Earth, the total width of the culvert section to encompass the secondary driveway at 245 success and the existing driveway at 241 Success is 47.8 feet, or .2 feet short of the maximum width allowed for the combined two driveways. You may proceed with your request to City Hall for culvert extension. Your request will be submitted to Brazoria County Precinct Commissioner's Court for review and approval. Please retain this and any future correspondence from the city in the event that Brazoria County Precinct 1 requires proof of approval.

Good Morning Travis,

Please see attached quote for the Hiper XR sets we discussed. I was able to hold pricing as was previously quoted and have the **first year of the TopNet subscriptions included for free.** In these kits, you have everything you need to split these into four network rover kits. This is quoted for payment by check and we would require payment upon delivery.

You can sign and return this quote to move forward. I will also send you an e-sign that you can complete if that is easier.

Also, do you need fixed height tripods to be used for the base stations if needed? We offer them for around \$1,000 and I can add two to this deal if needed.

Please let me know if you have any questions.

Thank you,

ORDER NO. I.4.

2/10/2026

Prohibition of Outdoor Burning

The Court, under the authority of Local Government Code §352.081, makes a finding that circumstances in all or parts of the unincorporated areas of Brazoria County create a public safety hazard that would be made worse by outdoor burning. Because of the existence of a long-term deficit of moisture, an increase in occurrence of wildfires have occurred; therefore, the Commissioners Court has determined that outdoor burning will be prohibited or restricted for the next 90 days, the first effective day being February 10, 2026.

This Order does not prohibit outdoor burning activities related to public health and safety that are authorized by the Texas Commission on Environmental Quality for: (1) firefighter training; (2) a public utility or natural gas pipeline; (3) burns that are conducted by a prescribed burn manager certified under Section §153.048, Natural Resources Code, and meet the standards of Section §153.047, Natural Resources Code.

Further, the County Judge may rescind this order without further action from this Court, when discussions with the Fire Marshal have determined it to be safe.

Further, the County Judge or his designee, is authorized to issue press releases and public service announcements to inform the public of the prohibition on outdoor burning.

Prohibition of Outdoor Burning

WHEREAS, the Commissioners Court find that circumstances present in all of the unincorporated areas of the county create a public safety hazard that would be made worse by outdoor burning; and

WHEREAS, declaration of such disaster authorized the imposition of controls on activities which tend to increase the likelihood of such fires:

IT IS THEREFORE ORDERED by the Commissioners Court that the following emergency regulations are hereby established for all unincorporated areas of Brazoria County, Texas for the duration of 90 days from the date of adoption of this Order, unless the restrictions are terminated earlier based on a determination made by the County Judge upon recommendation by the County Fire Marshal.

This Order is adopted pursuant to Local Government Code §352.081, and other applicable statutes. This Order does not prohibit outdoor burning activities related to public health and safety that are authorized by the Texas Commission on Environmental Quality for: (1) firefighter training; (2) public utility, natural gas pipeline; (3) burns that are conducted by a prescribed burn manager certified under Section §153.048, Natural Resources Code, and meet the standards of Section §153.047, Natural Resources Code.

1. Actions Prohibited:

A person violates this order if he or she burns any combustible material outside of an enclosure serving to contain all flames and/or sparks, or orders such burning by others.

2. Enforcement:

A. Upon notification of suspected outdoor burning, the fire department assigned to the location of the fire shall respond to the scene and take immediate measures to contain and/or extinguish the fire.

B. As soon as possible, a duly commissioned peace officer shall be sent to the scene to investigate the nature of the fire.

C. If in the opinion of the officer at the scene and/or the fire chief, the goal of the order can be attained by informing the responsible party about the prohibitions established by this order, the officer may, at his discretion, notify the party about the provisions of this order and request compliance with it. In such instances, an entry of the notification shall be made into the dispatchers log containing the time, date, and place of the warning, and the name of the person receiving the warning.

D. In accordance with Local Government Code §352.081(h), a violation of this Order is a Class C misdemeanor, punishable by a fine not to exceed

Re: Personal Request

Constable Office Pct. 2 respectfully requesting a full time Deputy Constable at a grade 38 step 7 (\$77,415.00) midyear to start April 1, 2026.

Due to the increase in paper service, mostly evictions and writs of possessions which are very time consuming, it is putting strain on the 3 full-time deputy's working. With new time restraints which took effect September 1, 2025, limiting the time to have their papers served.

In the 2025 – 2026 budget my department lost 2 paid reserve positions #00001887 and #00001941. These were 2 unfilled reserve positions. I also have 2 spots filled #00001942 and #00001848 which are filled at this time and can be used to help with the cost by moving this to non-paid reserves.

Thank you Sirs!!
