

COMMISSIONERS COURT OF BRAZORIA COUNTY

ORDER NO. H.26.

2/11/2025

Donation for Environmental Health Boat Repairs

Authorize the Brazoria County Environmental Health Department to accept a donation of \$1,300 from the Christmas Bay Foundation to go toward repairs of the Brazoria County Boat. Repairs would make sure that the boat would be available for the annual "Abandoned Crab Trap Cleanup" event later this month.

This donation will help cover boat repair expenses that were not included in the Environmental Health FY2025 budget.

Further, that a certified copy of this Order be returned to the Environmental Health Department.

Bryan,
 How much to fix motor? CBF may be able to donate if not too expensive.

Thanks for the heads up. We appreciate Brazoria Counties support with the social media. Outdoors artist Sam Caldwell is donating a couple of his signed prints again this year to the winners of the teams collecting the most traps.
 Tight lines, Jim

Just an FYI,

Looks like we won't have the large Brazoria Co center console barge boat for the Crab Trap Cleanup this year. Apparently, the boat / motor are down and in need of repair.

Hi Bryan,
 Could CBF be a sor or support of the BC Environmental division in order to help fund issues like at motor repairs?

Adam,

Our sponsor for the Abandoned Crab Trap cleanup (Christmas Bay Foundation) has asked how much it might take to repair your environmental boat, and they would consider covering the costs (if it were below a certain amount) in order to be able to have the boat available for the crab trap cleanup event in a few weeks. Any idea what it might cost to repair/service, and would you consider allowing Christmas Bay Foundation to cover the cost?

Thanks,

Bryan

Ok. Thanks, Adam.

Sorry for the boat troubles. Let's touch base for next year.

We won't be able to participate this year the outboard needs tilt & trim seals replaced. We didn't have it in the budget this go around. We will be ready next year if the boat stays in good shape fingers crossed.

Thank you,

Adam Keen

Yesterday 5:37 PM

Jim,
Just heard back from Brazoria
Co Environmental... they said
repairing the boat estimate is
about \$1,300. If you approve
and want to. I've forward, we
would need to get this on the
court agenda tomorrow
morning in order to accept that
donation.

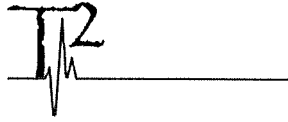

Sure, the CBF can be a
sponsor if they can get it fixed
in time for the crab traps

Ok. I will tell them to add it to
the court agenda that
Christmas Bay Foundation will
donate \$1,300 to go toward
boat repair for the crab trap
cleanup. Is that good?
