To Whom It May Concern

**Re: Safariland, LLC Price Increases**

Due to escalations in raw material, labor, and transportation costs, Safariland, LLC has had to pass along general price increases on our full line of products.

As much as we would like to maintain previously established pricing, market and labor conditions have increased our production costs, which unfortunately necessitates the pricing increase.

We appreciate your continued partnership with Safariland. Should you have any questions, you may contact our local Safariland representative Graham Smith by phone at 817-542-5232 or via email at [Graham.Smith@Safariland.com](mailto:Graham.Smith@Safariland.com).
