Brazoria County Engineering Department
Matt Hanks, JD, PE
451 N. Velasco, Suite 230
Angleton, TX 77515
Via email: matth@brazoriacountytx.gov

Dear Mr. Hanks,

The City of Brazoria would like to request an interlocal agreement with Brazoria County to dig the ditch and set new culverts on Brazos Street. The owner will purchase culverts and replace the concrete drive. The attached drawings indicate the area that we need assistance with.

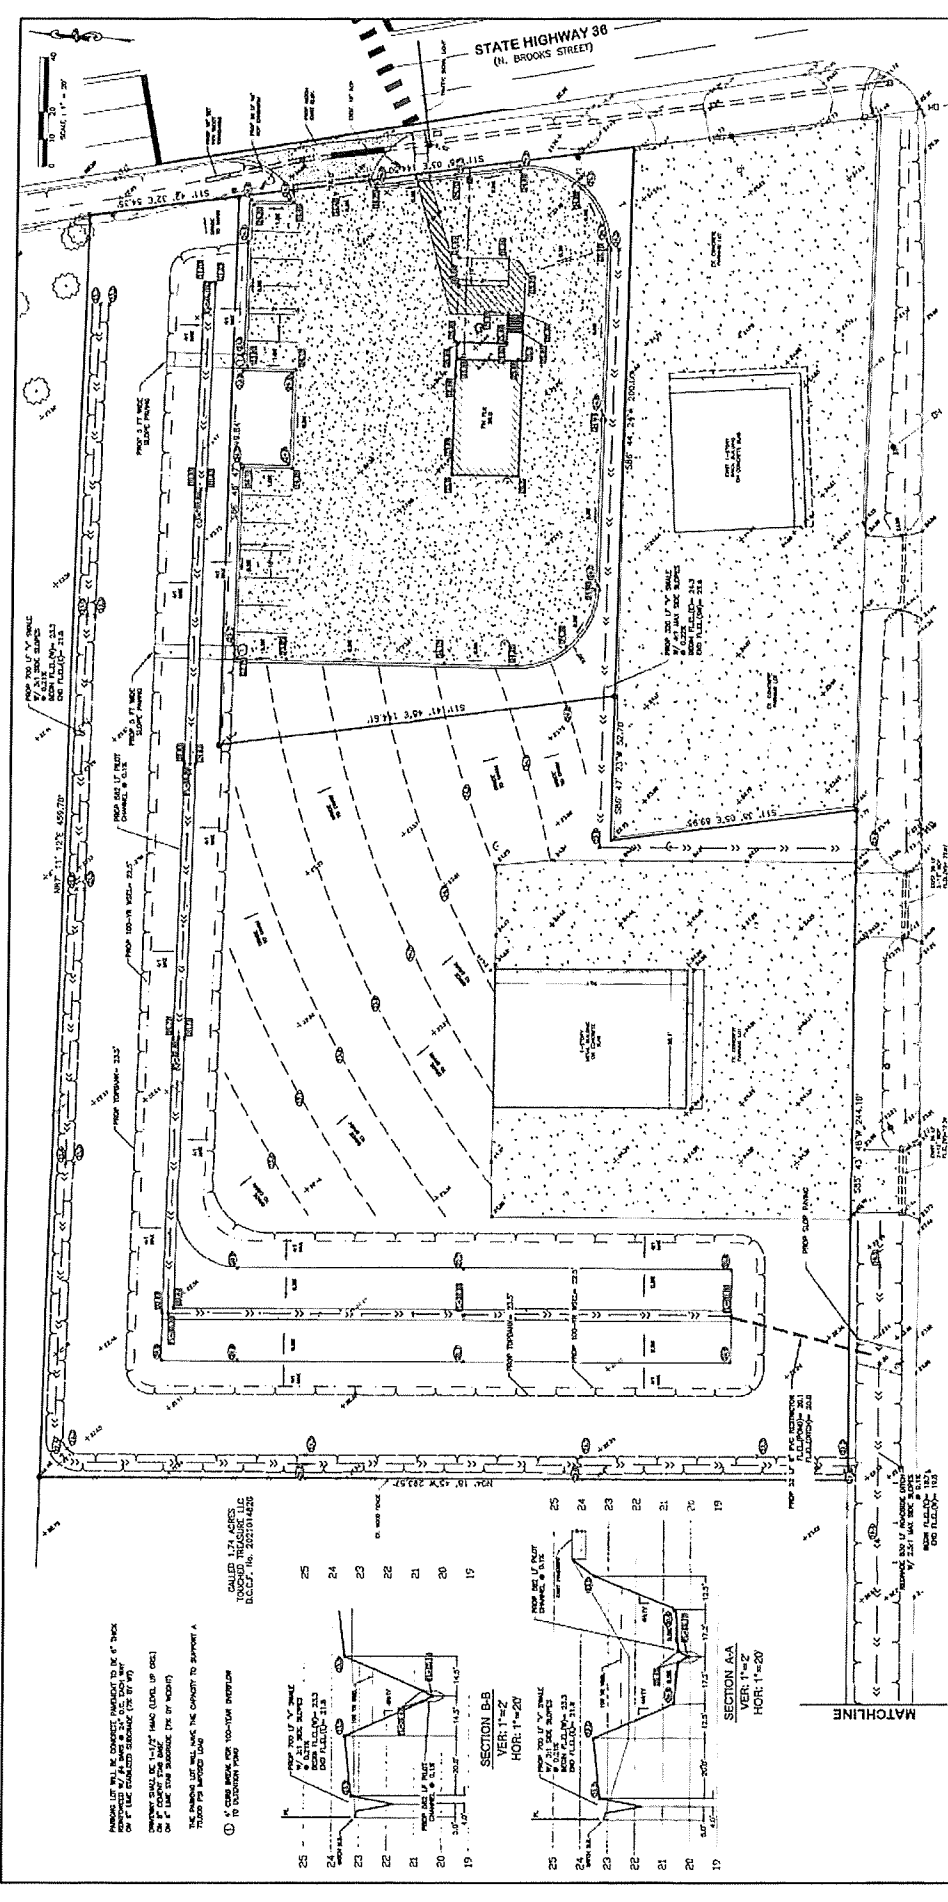

We would appreciate any assistance that you can provide.

Sincerely,

Clissa Mills
City Secretary

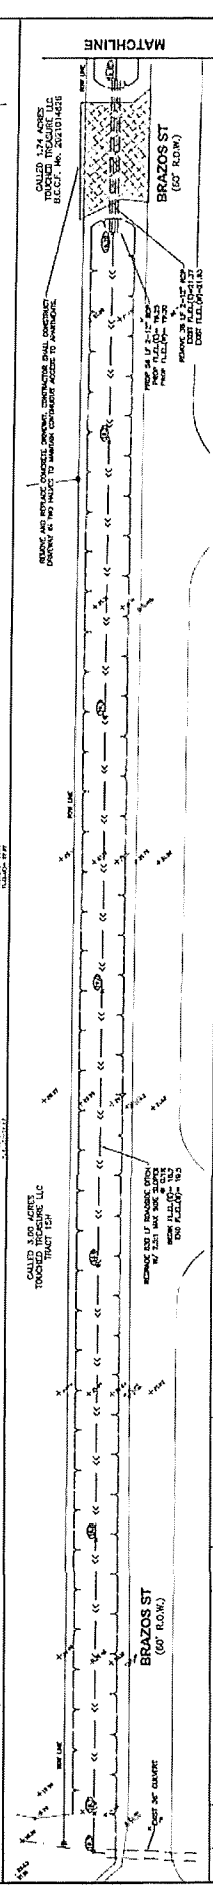

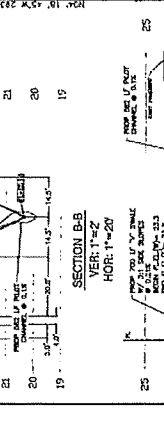

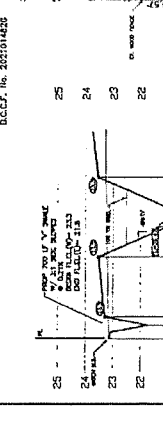

cc: David Linder, Precinct 4 County Commissioner

Subject: [EXTERNAL] Sign installation help

Follow Up Flag: Follow up
Flag Status: Flagged

Hello Tricia, we seem to need more help with signs. Truck route signs to be exact. We are experiencing quite a few 18 wheelers not using the approved truck route, and this is causing issues on our small streets. Almost had another one roll over yesterday.

We are needing a **Truck route sign** installed at these locations :

- **AVE L and 171** as you come into town from Angleton.
- 171 as you enter Danbury from Liverpool just before AVE A
- Main Street and 5th street

We are needing NOT a Truck Route signs installed at these locations:

- AVE D and 5th Street
- 1st street and 208

If you need more information, please let me know. Clint stopped by City Hall the other day, and I mentioned to him that I would be requesting this.

Thank you,
Sue Powell
Mayor City of Danbury TX

Hello Tricia, the City of Danbury would like to submit an interlocal request for help at our Waste Water Treatment plant, located at 1600 AVE L. We need help with reestablishing the drainage ditches that are located at the plant. We also need to replace the cement culverts that are located on the turnaround drive inside the plant. If you need more information for this request, please let me know. thank you in advance,
Sue Powell
