Good Afternoon,

I am contacting your office to request asphalt roadway milling and overlay on McKinney Street from 2<sup>nd</sup> Street to Avenue A in Sweeny, Texas. Recently, we partnered with Brazoria County to have a culvert installed, and the roadway material has washed out with all the rain and left a sizable chunk of roadway missing, mostly around where the new culvert was installed. This is an urgent request to have this work done, because the condition of the roadway in that area is so poor. We do not have the machinery to complete the work.

Please let me know if you have any questions or need pictures.

Thanks,

Lindsay Koskiniemi, CGFO, CPM, MPA, MSA
